A VERY BRAVE REPORTER TRAVELS THROUGH TIME TO SAVE EASTER.

Bunny Times

A Hare-Raising Time-Travel Adventure

Written and directed by Blake Flores

Arden Playhouse is pleased to present ***Bunny Times*** a play especially for children.

An evil scientist who invented a quirky, unreliable time machine, went back in time in quest of power and riches but inadvertently altered the course of bunny history. As a result, the Easter Bunny doesn't come this year. Another scientific genius (his good twin), who just happened to be working on a time machine as well, is consulted by an intrepid reporter. While the Easter bunny is running for his life from a pair of wide-eyed farmers, the good brother reluctantly agrees to allow the reporter to use his unproven time machine to try to save Easter.

The adventurous reporter ends up in several time periods, including medieval times, and meets with Princess Ostara and her step-mother, the power-hungry Queen Matilda, who hold the key to Easter success, with the help of an impudent court jester.
